About CHA

As a charitable Registered Social Landlord (Charity Registration SC034228), we were established in 1987 by a voluntary committee of local people concerned about the poor condition of houses in some of the remote villages of Clydesdale and about the shortage of rented housing in the area. The committee also wished to halt the economic decline in the remoter areas and to help make them viable communities again.

Following initial improvements to housing in three villages, we commenced a new-build development program and to date have completed 27 projects in 16 towns and villages throughout rural South Lanarkshire. Since 1987 over £30m of housing investment has been channelled through the Association - we have built over six hundred houses.

Over 150 former Scottish Homes tenants in Lanark, Rigside, Kirkmuirhill and Carluke transferred their tenancies to the Association in 2002 and 2003.

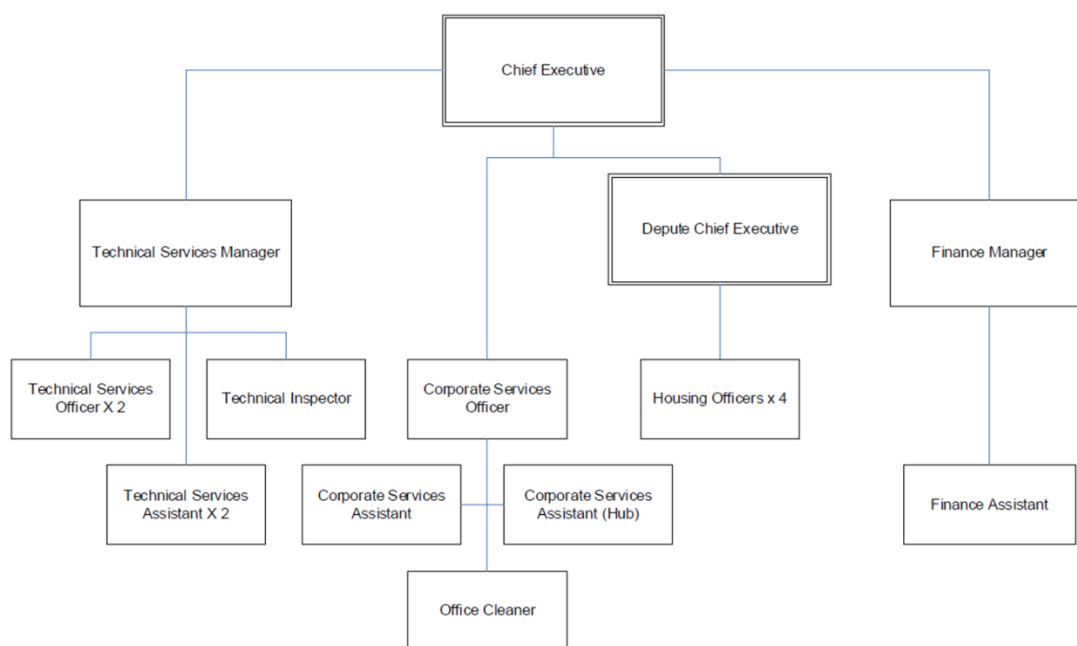

We have over 120 shareholder members and we own and manage over 740 properties throughout the Clydesdale area of rural South Lanarkshire. We employ eighteen staff.

Our Management Committee

Our Management Committee provides the strategic direction for CHA and ensures that we maintain the highest level of standards and performance, meeting at least twelve times per year.

Organisation Structure

The Management Committee meets twelve times a year with the Senior Management Team. Decisions are taken to set the overall strategy for CHA as well as to monitor its activities. The Management are charged with the task of implementing these decisions.

Introduction to CHA's Guide to Information

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to adopt and maintain a publication scheme which has the approval of the Scottish Information Commissioner and publish information in accordance with that scheme. The publication scheme must:

- publish the classes of information that the authority makes routinely available.
- tell the public how to access the information and whether information is available free of charge or on payment.

CHA has been designated as a Scottish Public Authority by an order made under section 5 of the Act, known as the Freedom of Information (Scotland) Act 2002 (Designation of Persons as Scottish Public Authorities) Order 2013.

CHA has adopted the [Model Publication Scheme 2018 \(MPS\)](#) (updated March 2021) which has been produced and approved by the Scottish Information Commissioner. The MPS is a standard framework for Scottish public authorities to publish the information they hold.

You can see this scheme on our website [here](#) . You can also contact us at mail@clydesdale-housing.org.uk or by using our [contact form](#) if you prefer a copy to be provided to you in another format.

The Model Publication Scheme is also available on the Scottish Information Commissioner's website. Click [It's Public Knowledge](#) to access.

The purpose of the Guide to Information is to:

- allow the public to see what information is available (and what is not available) for CHA in relation to each class in the Model Publication Scheme 2018 (Updated March 2021)
- state what charges may be applied.
- explain how to find the information easily.
- provide contact details for enquiries and to get help with access to the information.
- explain how to request information that has not been published.

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIRs) provide a separate right of access to the environmental information that we hold. This guide to information also contains details of the environmental information that we routinely make available.

The Model Publication Scheme Principles

The MPS imposes six principles which govern the way we must make our information available through our Guide to Information:

- Principle 1: Availability and formats
- Principle 2: Exempt information
- Principle 3: Copyright and re-use
- Principle 4: Charges
- Principle 5: Contact Details
- Principle 6: Duration

Principle One: Availability and formats

The information published through the MPS is, wherever possible, available on our website. In the Classes of Information section, select the class required.

We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this – see “Principle 4: Charges”).

Advice and assistance:

If you have any difficulty identifying the information you want to access, then please contact us to help you.

Principle Two: Exempt information

We will publish all the information we hold that falls within the classes of information. If a document contains information that is exempt under Scotland's freedom of Information laws (for example sensitive personal information or a trade secret), we will remove or redact (black out) the information before publication and explain why.

Principle Three: Copyright and re-use

Where CHA holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied or reproduced accurately.
- It is not used in a misleading context, and
- The source of the material is identified.

Where CHA does not hold copyright in information we publish, we will make this clear.

Principle Four: Charges

This section explains when we may make a charge for our publications and how any charge will be calculated. There is no charge to view information on our website or at our premises.

We may charge for providing information to you, but we will charge you no more than it costs us to do so. We will always tell you what the cost is before providing the information to you.

Our photocopying charge per side of paper is shown in the tables below:

Black & White Photocopying

Size of Paper	Pence per sheet
A4	10p
A3	20p

Colour Photocopying

Size of Paper	Pence per sheet
A4	20p
A3	40p

Alternative Formats

Format	Charge
Computer Discs	50p per CD-ROM

Postage Costs

Postage costs will be recharged at the rate we paid to send the information to you. Our charge is for sending information by Royal Mail First Class.

When providing copies of pre-printed publications, we will charge no more than the cost per copy of the total print run.

We do not pass on any other costs to you in relation to our published information.

Charges for information which is not available under the scheme:

If you submit a request to us for information which is not available in this Guide the charges will be based on the following calculations:

General information requests

- There will be no charge for information requests which cost us £100 or less to process.
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated based on a waiver for the first £100 and 10% of the remaining £500.
- We are not obliged to respond to requests which will cost us over £600 to process.
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving, and providing information to you.
- If we decide to impose a charge, we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request, there will be no charge to you.

Charges for Environmental Information

Environmental information is provided under the EIRs rather than FOISA. The rules for charging for environmental information are slightly different.

We do not charge for the time to determine whether we hold the environmental information requested or deciding whether the information can be released. Charges may be made for locating, retrieving, and providing information to you e.g., photocopying and postage. If we decide to impose a charge, we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request, there will be no charge to you. Charges are calculated based on the actual cost to CHA of providing the information.

- Photocopying is charged at 10p per A4 sheet for black and white copying, 20p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

The first £100 worth of information will be provided to you without charge.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated based on a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

Charge for request for your own personal data

There is no charge for requesting your own personal data under the UK General Data Protection Regulation (UK GDPR) Subject Access Request.

We must provide a copy of the information **free of charge**. However, we can charge a 'reasonable fee' when a request is manifestly unfounded or excessive, particularly if it is repetitive.

We may also charge a reasonable fee to comply with requests for further copies of the same information. This does not mean that we can charge for all subsequent access requests.

The fee must be based on the administrative cost of providing the information.

Further information on UK GDPR can be found on the Information Commissioner's Office website. Click [here](#) to access.

Principle 6: Duration

Once published through the Guide to Information, the Information will be available for the current and previous two financial years.

Where information has been updated or superseded, only the current version will be available (previous versions may be requested from CHA under section 1 (1_) of FOISA). Our Guide to Information will contain a 'last reviewed' date showing when the document was last reviewed, to ensure it contains the most up to date information.

Records Management Policy

CHA regards its records as a major asset. It confirms that its records are one of the essential resources which support management in the efficient and effective fulfilment of its governance, business, and legal responsibilities. CHA Records Management Policy can be found in Classes of Information - Class 5.

Classes of Information

We publish all the information that we hold within the following classes. Once information is published under a class, we will continue to make it available for the current and previous two financial years.
